

Team Moto XXX has joined forces with Perfex Corporation to help the team solidify their status as the world's longest running privateer team in history.

In an effort to bring more outside of the industry support to the Supercross and Motocross circuit, Perfex Corporation has signed on as one of the supporters of the Moto XXX race team. Perfex Corp. is a family run business specializing in the manufacturing of unique and innovative cleaning tools for critical environments.

Originating in Brooklyn and located in upstate New York, Perfex is now in their third generation under the watchful eye of Michael E. Kubick. Mike grew up in New York and is an avid motorcycle enthusiast. Over the past few years, Mike has provided support to local riders to try and help them get to the races and fulfill their dreams.

For 2007, Mike had this to say; "For the past few years I have been helping out local guys and for 2007 I wanted to do something bigger and better. I soon realized just how much time and effort it takes to put together a professional racing program and that's when I started getting involved with Moto XXX." Having been at it for over 10 years, team Moto XXX is familiar with what it takes to succeed and is dedicated to trying to help the sports up and coming riders meet their goals. When Moto XXX and Perfex got together, everyone knew it was a winning combination.

When asked about the new found relationship, team manager Allan Brown commented; "Having Perfex join the team has been great. Mike is a great guy to work with; he's excited to be involved in the industry, pumped on the team, and very focused on helping out the younger riders in our sport. I think it's an excellent partnership."

The Supercross series has one more weekend off before launching down the home stretch beginning April 21st at Ford Field in Detroit, Michigan. You only have three chances left to get out to a Supercross near you and catch team Moto XXX in action. After that, the team heads outdoors to begin their attack on the 12 round AMA Motocross Championship. Hope to see you there!
